## The LevelWorks® People

Level - Flow - Pressure - Pressure Gauges - Temperature Sensing Display Controllers - Communications - Control

<p><b>Point &amp; Continuous Level for Dry Bulk Materials</b></p>	<p><b>Liquid Level, Flow, Pressure, Temperature Sensors &amp; IS Barriers</b></p>	<p><b>Blue Ribbon BirdCage® Submersible, Pressure Transducers &amp; Duplex Pump Controls</b></p>	
<p><b>Kobold Instruments, Inc. Sensors for: Flow, Level, Temperature &amp; Pressure</b></p>	<p><b>Continuous Non-Contact Laser Measurement</b></p>	<p><b>Liquid Level Sensors, Duplex, TriPlex &amp; QuadraPlex Pump Controls</b></p>	<p><b>Display Controllers in Explosion Proof. Intrinsically Safe, NEMA4</b></p>
<p><b>Level, Flow, Pressure Sensor for Corrosive Environments</b></p>	<p><b>Conductivity Liquid Level Sensors &amp; Pump Controls, Intrinsically Safe Controls &amp; Duplex Pump Controls</b></p>	<p><b>WEST Control Solutions Partlow CAL</b></p>	

**ABM SENSOR TECHNOLOGY** - Continuous Non Contact Radar & Ultrasonic Level Sensors.  
**CLINTON CONTROLS** - Industrial UL-Listed Control Panels  
**G3-Rio Express**, Industrial Wireless Analog and Digital I/O  
**GIZMO ENGINEERING** - Self Contained, Battery Powered Floats Switches with IS Options  
**INTEMPCO** - Temperature Indication & Control, Capacitance Level Controls  
**ISAAC'S AND ASSOC.** - Wireless Digital Radios with Battery Powered Transmitters  
**LevAlert** - Mechanical Bin Level Indicators - Requires No Power  
**MDI** - Mechanical & Mercury Tilt Float Switches for Liquids, Motor Contactors  
**SENSARAS** - Gap and Slot Type Point Level Ultrasonic Switches  
**SMITH SYSTEMS, INC.** - Speed, Motion and Temperature Sensors  
**SYMCOM Division LittleFuse** - Motor & Pump Protection Controls, IS Realsy  
**WERMA** - Audible and Visible Alarms  
**WHITMAN** - Temperature, Pressure and Level Sensors - Featuring Thomas Products  
**WINTERS** - Temperature and Pressure Sensors - Valves and Manifolds
